Product Acceptance Advice Note

This advice note provides appropriate background information and any specific action that may be required in accordance with the **attached certificate**. It will enable you to meet your obligations in meeting the requirements of the Company procedure RT/LS/P/029.

Certificate Ref.	Issue	Product
PA05/02084	I	Demco TerraRange Pipework System

Manufacturer

MGS Demco.
Unit 11 & 12, Star Industrial Park,
Bodmin Road,
Coventry. CV2 5DB

Background/ Reason for Issue

Acceptance of the pipework system is based on its ability to be used where direct track loading is applied to the drainage system i.e 6 foot and 10 foot locations.

Network Rail action

Deficiencies in performance affecting the accepted functionality of the product or safety integrity identified by users of the product shall be reported in writing to Network Rail, HQ Acceptance Services.

Peter Anderson

Product Acceptance Specialist

Certificate of Acceptance

Certificate No: PA05/02084

Issue: 1 Date: 09.08.05

Effective date: 09.08.05

Page 1 of 8

Product: Demco TerraRange Pipework System

Manufacturer: MGS Demco.
Unit 11 & 12, Star Industrial Park,
Bodmin Road,
Coventry. CV2 5DB

The product above is accepted for use on the Network Rail infrastructure within the defined scope of acceptance and any specific conditions in the certificate.

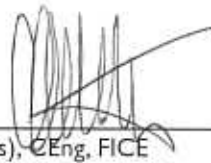

Scope of Acceptance

Demco Terradrain (11 & 17) and Terraline (11 & 17) pipework, for use in accordance with the manufacturers Product Data Sheets as water collector and carrying systems at shallow depths where direct track loading is applied to the drainage system.

SPECIFIC CONDITIONS (Manufacturer/Supplier)

- Technical Data Sheets, Handling and Installation guides to be made available to users of the product.
- Any deficiency affecting the product quality, functionality and safety integrity shall be notified in writing within 48 hours (including corrective action undertaken or proposed) to Network Rail HQ Acceptance Services.
- Manufacturers/Suppliers are responsible for ensuring that they are in possession of the latest relevant standards and/or drawings, and for ensuring that their products are compliant.
- Any proposed change to the product configuration (to the actual product or its application) shall be put forward in writing to Network Rail, HQ Acceptance Services.

Authorised by:

David Ventry B.Eng (Hons), CEng, FICE
Professional Head of Track Engineering

Certificate of Acceptance

Certificate No: PA05/02084 Issue: 1 Date: 09.08.05
Effective date: 09.08.05 Page 2 of 8

SPECIFIC CONDITIONS (User/Operators)

- Users are responsible for ensuring compliance with conditions shown in this certificate. If a condition is not understood guidance must be sought from the Product Acceptance Specialist.

PRODUCT CONFIGURATION

- Terradrain(11 & 17) is a perforated heavy duty polyethylene pipe for railway track drainage.
- Terraline (11 & 17) is a smooth heavy duty polyethylene pipe for railway track drainage.
- Terradrain/ Terraline (11 & 17) external diameters range from 110mm to 630mm.
- 11 & 17 refer to the wall thickness, 11 being thicker than 17.
- Both Terradrain and Terraline are provided as flush push fit ends only.
- Where ends have to be cut, plain coupling rings are also available.

Part No.	Description	PADS No.
	Demco Terradrain/ Terraline (11 & 17) Pipework System	057/101100

Terraline 17 solid wall carrier pipe with integral flush joint
or plain ended for use with sleeve couplers in the following lengths :-
0.5M, 1M, 2M, 3M, 6M, state length when ordering.
